

Chaplaincy Report for 2017

Having been established by PACT in autumn 2011 we are pleased to report that we have been serving the town faithfully every week since then and we are expanding our plans. Most of our Chaplains join us for the whole town events such as the Remembrance day parade and special events and are about to train some new volunteers.

We joined the Salvation Army for a lovely evening sharing about how we together serve our community and trust we shall do the same with other congregations.

We are pleased to report we have added Lavant Street to our rounds this year. Our regular rounds include the Market, Chapel Street, Rams Walk, Pages Court and the Farmers Market.

We are currently considering how we can help individual churches in their outreach and are planning to open our training to anyone who would like to improve their skill in showing care to others. Topics include 'knowing who we are in Christ' and 'listening'. We should also appreciate new trustees.

If you would like to be kept in touch with what we are doing or perhaps attend a training session please e-mail chaplaincy@pact.org.uk or leave a message on 07933 479 701
