

# Prayer Village

## St. Mary's Church, Buriton

St Mary's Buriton is a country church in a village setting where people have worshipped God for over 800 years. It is open daily and visitors are welcome.

We come together as a church community week by week to worship God and to celebrate the Eucharist. The church serves the communities of Buriton, Nursted, Weston and Ditcham. All are welcome.

We are linked with the church in [Dominase in Ghana](#)
