

About Two Saints

We were formed in April 2001 through the merger of the Society of St Dismas and St Petroc Housing associations. Both organisations shared a passion for housing and supporting vulnerable single people.

"I'm forever grateful for the support given to me during a dark and difficult time. My future is looking brighter and for the first time I'm excited about it". Alice

Our vision

To give people who are homeless, vulnerable or in need of support, the opportunity to build a brighter future.

Our mission

To significantly improve the lives of those who are homeless, vulnerable or in need of support by offering high quality, effective and reliable housing and learning services.

Our values

- Giving our clients choice and control
- Openness, honesty and respect
- Equality and diversity
- Quality, efficiency and value for money

Keep up to date with our latest news

Street homeless outreach service

Support for homeless people living and sleeping on the streets in East Hampshire District and Havant Borough

TWO SAINTS
REBUILDING LIVES FOR A BRIGHTER FUTURE

What is our Outreach Service?

We're a small dedicated team of support workers offering assistance to rough sleepers in East Hampshire District and Havant Borough. Our help includes:

- Supporting people to move away from a life on the streets
- Exploring housing options including private sector accommodation
- Support with access to a doctor
- Signposting to alcohol and substance misuse services
- Support to apply for benefit entitlements
- Essential items including hats and socks in the winter and sun cream and water in the summer

In-reach

We offer in-reach support to rough sleepers moving into accommodation from the streets. Having built up a relationship of trust over a period of time we've found that a familiar face helps with the transition from life on the street.

Partnership working

We're part of a multiagency approach, supporting people who are rough sleeping in East Hampshire and Havant Borough and we're proud to work alongside:

- East Hampshire District Council
- Havant Borough Council
- Police
- Inclusion
- Probation
- Salvation Army
- Agencies working together group
- Faith groups

What to do if you're homeless or at risk of losing your home

Contact your local authority for advice and guidance.

Drop in services available. Contact us for further information.

Can you help?

Every penny we receive in donations helps us to support homeless and vulnerable people. We also need a variety of items throughout the year and a list of what we currently need can be found on our website.

Do you have time to spare on a regular basis? Even if it's just an hour every week or two you can make a big difference. We need volunteers to work with our clients in a number of roles. Give us a call today.
