

FAITH COMMENT: CHURCH CONTRIBUTIONS TO THE PETERSFIELD POST

- Please aim for about **300 words** and **please provide your own title** to your Faith Comment – the Post often change it, but the Faith Comment Editor will put **YOUR** title on the web site!
- Please include:
 - The author's name
 - Contact telephone number and/or email address
 - The name of your church
 - The Publication Date
- Please email your copy to **FaithComment@pact.org.uk** on or before the **copy date** – it will be forwarded by the Faith Comment Editor to the Post 8 days before the **publication date**.
- Our churches in the Petersfield area are unique in having this co-operation of a local newspaper and it is therefore vital that we make their task as easy as possible. The main reason that the Post fails to print our articles is that we have missed the deadline or forgotten to create a Faith Comment.
- You may receive an email in plenty of time to remind you that an article is due – but do not rely on this, the onus is on you to have an article written and emailed to the Faith Comment Editor on time!
